Electric Cylinder Lawnmower 380 EC

Commercial Reference: 4028-20
Article number: 901 05 83-01
EAN: 4078500402804

For precision mowing as with shears – very smooth, quiet and effort-saving. Powerful 400 W electric motor. Can also be used without power as a conventional hand lawnmower. Noiseless, contact-free cutting technique (cylinder blade and bottom blade do not touch each other) ensures the lawnmower is very quiet and extremely easy to push. Hardened, non-stick-coated cutting cylinder blade made of quality steel and ground bottom blade for clean and precise mowing. Cutting height is easily and infinitely adjustable using a handy controller. Cutting-height scale on both sides is easy to read. Large wheels with special tread and soft plastic elements for easily guiding the lawnmower with more grip. Folding handle with quick-lock feature for easy transportation and compact storage. Shaped carrying handle makes it easy to lift the lawnmower. Ergonomically shaped handle, featuring conveniently positioned switch, makes it easy to push the lawnmower. Recommended accessories: Grass Catcher Art. No. 4029. 4-colour display carton.
